### Definitions of coverage

**Death** — Give your family time to get back on their feet financially. The remaining loan balance (up to \$75,000) is cancelled upon the death of the covered borrower.

**Disability** — Help avoid bills piling up as you try to regain your health and earning capacity. Use this benefit as a supplement to any disability coverage you may have at work (which usually only covers 60 percent of pay). The monthly payment (up to \$1,000 per month) is cancelled for up to six months with a maximum cancellation of \$15,000 over the term of the loan.

**Involuntary Unemployment** — Ensure that one of your major monthly expenses will be taken care of as you search for new employment. After a 90-day waiting period, the monthly payment (up to \$1,000) is cancelled for up to three months with a maximum cancellation of \$15,000 over the term of the loan.
